A LETTER FROM OUR CEO

As I reflect on the past year, I am filled with gratitude for the individuals, families, staff, volunteers, donors, and community partners who make the work of KAC possible. For more than 60 years, we have been committed to empowering individuals with disabilities to live, learn, work, and thrive in our community. While much has changed since our founding, our mission remains as important today as ever.

Every day, we witnessed the power of possibility through the children taking their first steps toward school readiness, adults developing skills and confidence, families finding support and resources, and individuals achieving greater independence and inclusion.

These successes are not measured solely in numbers, but in lives transformed. They are reflected in the milestones reached by the children in our early childhood programs, the accomplishments of the adults we support, and the peace of mind provided to families who know they are not facing challenges alone.

As the needs of our community continue to evolve, KAC remains committed to innovation, collaboration, and excellence in service. We are continually looking ahead - seeking new opportunities to expand access, strengthen programs, and ensure that every individual we serve has the opportunity to reach their full potential.

We look forward to what the future holds.

With gratitude,

Chris Weyker
CEO

CHILDREN SERVICES

The earliest years of a child's life lay the foundation for future success. Children Services empowers parents and caregivers with the knowledge, resources, and confidence to support their child's development and learning. By partnering with families, we help parents recognize their child's strengths, navigate challenges, and create opportunities for their children to grow, learn, and thrive.

Early Intervention (Birth to Three)

In-home therapy for children under 3 with developmental delays or disabilities.

Early Head Start

Comprehensive, home-based early childhood education for income-eligible families, supporting child development, school readiness, and the whole family.

Sprouts Playgroups

Weekly inclusive groups that promote early development for children ages 0–5 and social connections for parents.

Help Me Grow

Personalized referrals to local resources for families and access to a regular schedule of developmental screening for children.

Sparkler

A free mobile app with interactive learning activities and connections to expert support.

In the beginning we thought we would just have visits and get advice to improve my kids' growth and development, but it ended up being much more. Through KAC our family not only received regular home visits, but we also got connected with other resources and gained confidence to do more with the kids out in the community.

- Sam V..

EARLY INTERVENTION (BIRTH TO THREE)

The first three years of life are critical to a child's development. Early Intervention partners with families to provide individualized support, therapy, and early intervention services that help infants and toddlers build the skills they need to reach their fullest potential.

661 CHILDREN SERVED
317 ACTIVELY SUPPORTED

POSITIVE SOCIAL- EMOTIONAL SKILLS

69% showed substantial growth; 70% reached age-level expectations.

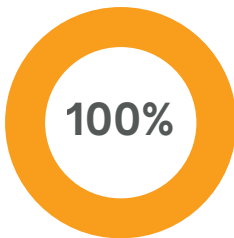

KNOWLEDGE & SKILLS ACQUISITION

69% showed substantial growth; 58% reached age-level expectations.

APPROPRIATE BEHAVIOR TO MEET NEEDS

82% showed substantial growth; 75% reached age-level expectations.

**FAMILIES REPORTED OVERALL SATISFACTION
WITH THE EARLY INTERVENTION PROGRAM
AND KAC STAFF**

GROWING WITH CONFIDENCE

Kayvion (pictured right) was referred to Early Intervention to receive services for gross motor delays after transitioning to his foster family. For the next year and a half, KAC's development experts worked alongside his family to support his development through visits at home and at childcare, making services convenient while helping him build the skills he needed to thrive.

"I enjoyed having the support and knowing there were professionals monitoring his development and helping him reach his full potential," his mom shared. "Birth to Three is a wonderful program."

In fall of 2025, not only did Kayvion graduate from the program after meeting all of his developmental goals, but his foster family officially became his forever family through adoption! Both were joyful milestones celebrating just how far he has come.

EARLY HEAD START

Early Head Start provides income-eligible families within Kenosha Unified boundaries with the resources and support they need during the earliest years of a child's life. During home visits, families are equipped with the tools and knowledge to support their child's development and strengthen their parenting skills. By partnering with families, we promote healthy development, strengthen parent-child relationships, and build a strong foundation for lifelong learning.

A FOUNDATION FOR SUCCESS

When Billy was just 9 months old, the Marshall family enrolled in the Early Head Start Program, hoping to give their son the strongest possible start in life. Through regular home visits, Billy worked toward important developmental milestones - from learning to walk and improving his balance to strengthening his communication skills and preparing for the transition to childcare.

At the same time, Billy's mom, Shannon, discovered that Early Head Start was helping her achieve goals of her own. With encouragement and support from her family advocate, Shannon found the confidence to pursue her teaching certification. What began as substitute teaching has since grown into a full-time position as a second-grade teacher while she continues her education.

Today, the Marshall family is thriving. Their story is a powerful reminder that when families are supported, everyone has the opportunity to succeed.

HELP ME GROW

A free service, Help Me Grow connects Kenosha families with trusted resources, developmental screenings, and community services to support healthy child development.

ADULT SERVICES

Every individual deserves the opportunity to live a meaningful, connected, and fulfilling life. Through our Adult Services programs, individuals with disabilities gain the skills, support, and confidence needed to pursue greater independence and participate in their communities. Whether developing employment skills, exploring new opportunities, building social connections, or achieving personal goals, our participants are empowered to reach their full potential.

Day Service

Structured programming that builds living skills, social interaction, and independence.

GardenWorks

A horticulture program that teaches responsibility and teamwork in a therapeutic outdoor setting.

Voyage

A community-based program focusing on real-world learning and personal enrichment.

Going to Voyage keeps my son on track and gives me a break too. He can pick what he wants to do and actually has the freedom to choose. He gets excited about leaving the house and tracks the calendar so he knows what outings are coming up. KAC is the place to be!

- George C.

DAY SERVICE

Day Service provides adults with disabilities opportunities to build independence, develop life skills, and engage with their community through meaningful activities and personalized support. From recreational outings and volunteer experiences to skill-building and social connections, participants are empowered to live fuller, more connected lives.

GARDENWORKS

GardenWorks combines hands-on learning, wellness, and community engagement through horticultural activities that promote personal growth and independence. Participants gain valuable skills while growing fresh produce, caring for the gardens, and contributing to a program that nourishes both people and the community.

PROGRAMS IN-HOUSE**

SERVING THE COMMUNITY, BUILDING CONFIDENCE

Every weekday, Day Service participants play an important role in supporting the Meals on Wheels program by assisting with meal pickup and distribution. As volunteers arrive to begin their routes, participants greet them, help organize and carry meal bags, and ensure each volunteer has everything needed for a successful delivery.

While these tasks may seem simple, they create meaningful opportunities to build communication skills, develop confidence, and interact with members of the community.

Through these daily responsibilities, participants gain a sense of purpose while making a real difference for both the volunteers they assist and the neighbors who rely on Meals on Wheels.

By serving others, participants are strengthening their independence, building relationships, and demonstrating the value of inclusion in our community.

VOYAGE

Voyage helps young adults with disabilities build confidence, independence, and meaningful connections through community-based experiences. By exploring local businesses, participating in recreational and volunteer opportunities, and developing everyday life skills, participants gain the tools they need to navigate adulthood while becoming active members of their community.

EMPLOYMENT SERVICES

Meaningful employment creates opportunities for independence, confidence, and personal growth. Employment Services offer individuals with disabilities opportunities to gain valuable skills, real-world experience, and the support needed to succeed in the workplace and beyond. Participants develop job skills, build workplace confidence, and contribute in meaningful ways throughout the community. By focusing on each individual's strengths and goals, KAC helps transform potential into achievement and opportunities into lasting success.

Summer Employment Exploration

Paid summer work experiences that help young adults with disabilities explore job opportunities while building workplace and soft skills.

Intern Opportunities

Summer internships that provide students with real-world work experience at community workplaces.

Community Employment Services

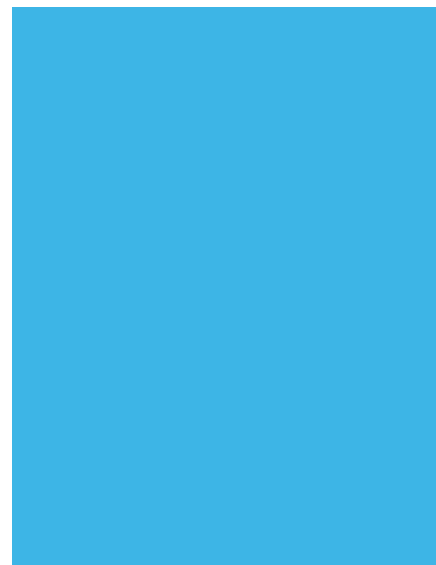

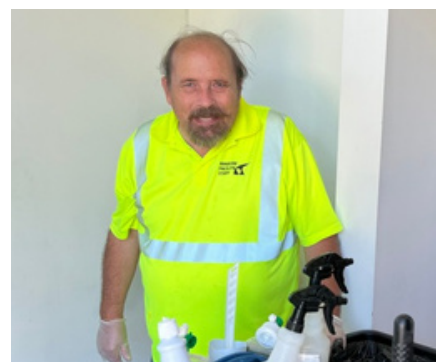

Job training, placement, and on-the-job support that help adults find and succeed in competitive, integrated employment.

Food Services

Hands-on food service opportunities that build culinary and workplace skills.

Janitorial & Groundskeeping Services

Employment opportunities that develop maintenance and groundskeeping skills while helping maintain safe, welcoming spaces throughout the community.

Summer Exploration Employment was an awesome introduction to gaining knowledge of different types of work and experiences. Then, thanks to his job coach, we were able to seamlessly transition my son into a Supported Employment role at a local business - which he loves!

- Leah M.

SUMMER EMPLOYMENT EXPLORATION

Summer Employment Exploration prepares students with disabilities for life after high school through seven weeks of paid work experiences in community settings. Participants explore career paths while building job and workplace skills, including résumé writing, interview preparation, and workplace expectations, helping them gain confidence for future employment.

FROM EXPLORATION TO EMPLOYMENT

Cullen's (pictured above) employment journey began with Summer Employment Exploration where he had the opportunity to explore different career paths. This year, he took the next step by participating in the Intern Opportunities Program, working at Green Ridge Cemetery and building his skills in a real-world work environment.

Through hard work and support from KAC's employment team, Cullen quickly proved himself to be a valuable employee. This led to an exciting milestone at the end of the year - being hired as an employee at Green Ridge Cemetery.

Cullen's story demonstrates how early employment experiences, job coaching, and community partnerships can create a pathway to meaningful, long-term employment and greater independence.

COMMUNITY EMPLOYMENT SERVICES

Community Employment Services help individuals with disabilities find and maintain meaningful employment in the community. Through personalized job coaching, skill development, and ongoing support, participants gain the confidence and experience needed to succeed in the workplace. Whether through transitional work experiences, seasonal positions, or long-term employment opportunities, we partner with local employers to create pathways to greater independence and career success.

TRANSPORTATION SERVICES

Reliable transportation is more than a ride - it's a connection to employment, healthcare, independence, and community life. Transportation Services ensure individuals have access to the places and opportunities that matter most. Regardless of who you are or where you're going, KAC can help get you there.

Care-A-Van

Specialized transportation for seniors and individuals with disabilities across Kenosha County.

LINK Western Kenosha Transportation

A public service connecting western Kenosha County residents to jobs, services, and essential destinations.

Wisconsin Employment Transportation Assistance Program

Transportation support for low-income workers to access and maintain employment.

Specialized Transportation Services

Accessible transportation supporting KAC programs, community participation, and employment through client routes, program trips, and the Great Lakes Naval Shuttle.

I keep choosing Care-A-Van because the drivers are pleasant, they know what they are doing, they are always safe, and never had a problem with being late. I look forward to my rides as much as I look forward to leaving the house. I recommend the service to anyone who needs it!

- Linda S.

CARE-A-VAN

Care-A-Van provides safe, reliable transportation for older adults and individuals with disabilities, helping them maintain independence and stay connected to medical appointments, employment and their community.

COMMUNITY ENGAGEMENT

KAC's impact is strengthened through partnerships with businesses, schools, nonprofits, and community organizations across southeastern Wisconsin. By working together, we create more opportunities for inclusion and supportive services for the individuals and families we serve. These collaborations help remove barriers, expand resources, and build a stronger, more connected community for everyone.

COMMUNITY PARTNERSHIPS

Collaborative relationships with businesses, organizations, and community leaders that expand opportunities and strengthen support for the individuals and families KAC serves.

FUNDRAISING ACTIVITIES

Community-driven events and appeals that raise critical funds, inspire generosity, and advance KAC's mission throughout the year.

GRANTS

Funding partnerships that support innovative programs, expand services, and help meet the evolving needs of our community.

The Golf Classic was a powerful reminder that we aren't here just to golf, but to help create opportunities for individuals to learn, work, and thrive. I'm grateful to be part of that impact.

- Steve S.

COMMUNITY PARTNERSHIPS

COLLABORATING FOR COMMUNITY IMPACT

Strong partnerships are at the heart of KAC's mission. By working alongside businesses, nonprofits, community organizations, and dedicated supporters, we expand opportunities, remove barriers, and create meaningful impact throughout Southeast Wisconsin.

2025 HIGHLIGHTS:

Building Our Future

KAC representatives continue to serve on the Building Our Future Leadership Table. A goal of BOF is to strengthen early childhood systems and improve kindergarten readiness through community partnerships and shared initiatives.

Help Me Grow

By partnering with the Kenosha County Public Health Department, local medical offices, and daycares, Help Me Grow connects families with young children to developmental screenings, community resources, and early intervention services that support healthy growth and development.

Livable Communities Initiative

KAC spearheaded the creation of the Livable Kenosha Coalition to improve accessibility and reduce social isolation for older adults and individuals with disabilities.

- Community Survey – Conducted a community survey and published a report to better understand housing challenges and identify opportunities for more accessible, inclusive housing.
- Accessible Biking Program – Launched adaptive trishaw bike rides, providing opportunities for older adults and individuals with disabilities to experience the community in a fun, inclusive way.

SUPPORTING KAC'S MISSION

Our community's generosity extends far beyond donations. Businesses, organizations, and volunteers organize independent fundraising efforts and awareness campaigns that provide vital support for KAC's programs and services. Their commitment helps ensure individuals and families continue to receive the resources, opportunities, and support they need.

2025 Highlights:

Subaru Share the Love Hometown Charity

For the fourth year in a row, Zeigler Subaru of Kenosha named KAC as their Hometown Charity during the Subaru Share the Love® Event. During the event, community members who purchase or lease a Subaru help provide vital funding that supports KAC programs and services.

Pitts-Deaton Lemonade Stand

The annual Pitts-Deaton Lemonade Stand once again brought neighbors together to support KAC, proving that even the smallest acts of generosity can make a lasting impact.

Peacetree Music Festival

KAC once again proudly partnered with the Peacetree Music Festival by managing beverage sales throughout the event. Thanks to the generosity of festivalgoers, KAC receives the proceeds from beverage sales, along with tips and donations, providing valuable support for our programs and services.

Local Partners

Local organizations continue to invest in KAC through creative fundraising and community engagement events. The generous support from area Kiwanis Clubs through their annual Tootsie Roll sales and UW-Parkside's National Association for Music Education (NAFME), which selected KAC as the beneficiary of its Summer Concert Series, helps provide meaningful funding to advance our mission and create more opportunities for the individuals and families we serve.

FUNDRAISING ACTIVITIES

The generosity of our community was on full display throughout 2025. Through special events, annual appeals, and targeted fundraising campaigns, supporters came together to provide critical funding that helps KAC create opportunities, remove barriers, and empower individuals and families.

LOOKING AHEAD WITH GRATITUDE & PURPOSE

As we reflect on the year behind us, we are filled with gratitude for the individuals, families, staff, volunteers, and community partners who make KAC's work possible. Their support and collaboration continue to drive our mission forward and ensure that individuals of all abilities have the opportunity to learn, grow, work, and thrive in our community.

While we celebrate the accomplishments of this past year, we also look ahead with purpose and determination. The needs of our community continue to evolve and KAC remains committed to meeting those needs with compassion, innovation, and collaboration.

Together, we are not only creating opportunities - we are building a stronger, more connected community where everyone belongs.
